Hoosier Films Annual Festival Rescheduled for September 3-6, 2020

In response to concerns about the spread of Covid-19 (coronavirus), the 2020 Hoosier Films Annual Festival has been rescheduled for September 3-6th. The entire festival schedule will remain the same, simply shifting to a new weekend.

In the coming week, the Buskirk-Chumley Theater will reach out to everyone who has purchased a pass to provide information about cancelling and refunding paid passes for the March 19-22nd dates, and they will provide information about purchasing passes for the new dates. Hoosier Films asks for patience and understanding as the BCT works through arrangements for events that have been cancelled or rescheduled. Those who need refunds or who wish to purchase passes for the new dates should refrain from calling the BCT in order to help them work through all these changes efficiently.

Hoosier Films co-founder and CIO Thomas DeCarlo notes, “While the sudden halt in preparations is stressful, there has been growing excitement for the festival, and we look forward to that carrying that energy into September.”

The festival, which is limited to films made in Indiana and/or by Indiana filmmakers, has selected 40 films to screen at its inaugural event, including 3 feature films and 37 short films. In addition to film screenings, the festival also includes a VIP opening reception, workshops for filmmakers each morning, and an awards luncheon on the last day of the festival.

Co-founder and CEO Meredith McGriff says “We're grateful for the community's support of Hoosier Films, and we look forward to welcoming everyone to the festival this summer.”

The full schedule for the festival and details about each of the films being shown is available at <https://festival.hoosierfilms.com>.
